

Drive Non-Stop insurance policy

SOP 1256. Target audience identification.

For internal use only.

Check that the following criteria are satisfied before offering this product:

- The client bought the insurance product Drive Complete last year
- The client has a car that was first registered in the year 2019 or later
- The driving license must be issued in 2016 or before
- The client has downloaded the mobile application
- There were no delays in paying premiums or deductible
- There was a maximum 1 claim last year
- There was no request for a cash payment of the claim
- There is only one driver included in the policy

In case of ambiguity contact your manager for advice.

The actual design was changed to protect the client's interests
